

PERSONAL STATEMENT

I am currently a student at an engineering school, specializing in computer science, and I am enrolled in a 3-year apprenticeship program at Alstom as a project manager in railway signalling. In addition, I am actively seeking a 3-month internship abroad from July to October 2024 to further expand my knowledge and gain international experience in the field.

PROFESIONAL EXPERIENCES

- 2023

ALSTOM TRANSPORT SA

Signalling Project Manager | Oct 2022 – Today

  - Managing project budgets, resources, and timelines
  - Inventory management
  - Preparing cost estimates for the client
  - Writing specifications and requirements documents.
- 2021

SANOFI

Production Operator | February 2021 - Today

  - Working in sterile/team areas
  - Compliance with safety rule
  - Preparation of the necessary equipment for the manufacturing process
  - Cleaning of premises and work equipment
  - Drafting work documents.
- 2023

ALSTOM TRANSPORT SA
